

WREATH FAQ SHEET

The Adaptive Ski Program raises funds each season, in part, by selling 1800 Holiday Wreaths. The wreaths are made from noble fir and are accented with juniper berries, pine cones, and a decorative red bow. They arrive from the Pacific Northwest on November 25th allowing for plenty of time to enjoy them. We could not possibly pull this off without our volunteers support.

THANK YOU!!!

Whether you are buying, selling or both, here are some important facts for you.

- THESE ARE TRULY THE FRESHEST, LOVLIEST WREATHS AROUND – SUSTAINABLY HARVESTED IN THE PACIFIC NORTHWEST
- Each Wreath is only \$20 and can be paid for on pick-up or delivery.
- If you are selling wreaths after they arrive, you can collect the money upon delivery and get it to the ASP after completing your wreath sales/deliveries. If you are not going to be able to sell all of the wreaths that you picked up, please let the office know by 12/14 so we can try to help sell them to someone else. If you have unsold wreaths and have not returned them by 12/14, you will be responsible for purchasing them.
- You are responsible for submitting money for all the wreaths you take to sell. Please turn in your wreath \$\$\$\$ by December 16th. If you are unable to sell some of them, then we still need to collect from you. (Please see above)

WREATHS ARE AVAILABLE FOR PICK-UP ON NOVEMBER 25th

- **IN SANTA FE:**
