

Holiday Wreaths Now on Sale!

Give a gift that gives back!

All proceeds benefit the Adaptive Ski Program for people with disabilities

The Adaptive Ski Program, a local non-profit organization, provides therapeutic ski opportunities at Ski Santa Fe and Sandia Peak to adults and children with all types of disabilities. Your donation in the form of a **wreath purchase** will help to purchase and repair expensive adaptive ski equipment and pay for student scholarships. Get a large, beautiful, fresh, fragrant, noble fir wreath laced with juniper berries, pinecones and a decorative red bow for **\$20 each!** The wreaths arrive from the Pacific Northwest just after Thanksgiving and can be truthfully claimed as the "freshest wreaths in town". Wreaths make great gifts for friends, co-workers, family members and holiday party hosts.
